Petitioner alleges that she suffered from left shoulder injuries related to vaccine administration (“SIRVA”) as a result of an influenza vaccine received on October 12, 2018. Petition at 1. Petitioner further alleges that the vaccine was administered in the United States, she suffered residual symptoms in excess of six months, and she has not received compensation in the form of an award or settlement or filed a civil action for her vaccine-related injuries. Petition at ¶¶ 3, 14, 16. The case was assigned to the Special Processing Unit of the Office of Special Masters.
